INCLUSIVITY IN PEOPLE, METHODS, AND OUTCOMES

ACKNOWLEDGMENTS

2022 Reviewer Acknowledgment

Yuri T. Jadotte, MD, PhD, MPH^{1,2,3,4}

On behalf of the journal authors, the Governing Board, the editorial staff, the Editorial Board, the Association for Prevention Teaching and Research, and the American College of Preventive Medicine, I thank all reviewers for their contributions to the journal during the year 2022. The journal's success as an academic endeavor depends on reviewers' dedication of time and expertise to the work of the journal. As a thank you, all reviewers receive special access to ScienceDirect articles, courtesy of the publisher Elsevier, and are eligible for additional perks from the journal, such as free professional development and Editorial Board opportunities. The names of reviewers whose contributions have demonstrated a level of depth and quality beyond what is routinely expected for peer review are in bold below.
